

**MINDSPRING CONSULTING, INC.
TEACHER AS LEADER OVERVIEW**

- Great teachers are great leaders.
- Great teachers engage students in the learning process.
- Great teachers can resolve conflict. They can receive, as well as give, critical feedback in a positive manner.
- The process of fostering and developing better teachers does not occur overnight; it is a gradual process.
- Exceptional teaching performance is directly tied to the individual's ability to be self-aware.
- Effective teacher development requires practice, experimentation, and guidance.
- Great educators are not born, they are developed.

WHY CONSIDER MINDSPRING?

- To implement a lasting, powerful, and cohesive training program for educators.
- To motivate and focus the educator's efforts toward creating a personal and professional life that is satisfying and rewarding, resulting in greater longevity in the classroom and increased student achievement.
- To expend resources and energy in developmental areas that truly impact life and academic outcomes in the classroom.
- To provide clarity and highly developed technical skills in assessing and improving the learning and teaching process.
